Your election is now pending.

Q & A

- **I received a notice from my FEHB carrier that they are dropping out of the FEHB program. Should I make an Open Season change? Yes. If you do not change health plans during Open Season, you will NOT have health benefits for 2015**

- **Do I have to make an Open Season election if I want to continue using the plan I currently have in 2014? No. As long as your current plan is still a valid plan for your area next year, you do not need to make any changes. Your current coverage will automatically continue.**

Open Season & Retirement

Retiring between November 10, 2014 and January 10, 2015?

- **Do NOT process your open season change through EBIS**
- **Submit a completed SF2809 Health Benefits Registration Form with your retirement application. Please annotate "Open Season" on top of form.**
- **Processed by the Office of Personnel Management (OPM)**
